Remedies: Cases, Practical Problems And Exercises (American Casebook Series)

Synopsis

The third edition continues to emphasize intellectual content and focus on remedial theory and doctrine to better prepare students for actual law practice. The third edition contains the following improvements: more detailed coverage of legal issues, reworked problems, additional overviews at the beginning of each chapter and, cumulative problems at the end of each chapter. The book continues to be divided into two major sections. The early chapters give students a firm grounding in equity and equitable remedies, contempt, and the competing remedial options, and the latter sections are designed to give students a better understanding of the remedial consequences of litigating a case on one theory rather than another.

Book Information

Series: American Casebook Series

Hardcover: 1000 pages

Publisher: West Academic Publishing; 3 edition (March 19, 2014)

Language: English

ISBN-10: 0314281959

ISBN-13: 978-0314281951

Product Dimensions: 1.8 x 8.2 x 10 inches

Shipping Weight: 1.6 pounds

Average Customer Review: 3.5 out of 5 stars 2 customer reviews

Best Sellers Rank: #815,066 in Books (See Top 100 in Books) #46 in [Books > Law > Rules & Procedures > Remedies](#) #475 in [Books > Law > Legal Education > Legal Profession](#) #8239 in [Books > Textbooks > Law](#)

Customer Reviews

arrived as new and on time. I was very pleased.

I have the third edition of this text and it is minimally helpful so you had better hope your professor supplements the shortcomings. The placement of sections and headings is weird and doesn't seem to flow. When there aren't general intro sections to material the cases don't seem to make up for providing a foundation and are ineffective at illustrating the concepts. The notes following the cases don't seem to naturally flow from the reading. I attempted to supplement with an E&E but it didn't compliment my professor's lectures or the text.
