## Customer Reviews

As a diehard Dale Earnhardt fan I found this book very informative, in spite of it being outdated. Hopefully a more revised book will be written very soon. I own quite a few pieces that are included in this book but it would be nice to see what they're worth now after Dale's untimely passing.  
Forever a FanR.I.P. #3

Fast delivery, good book for values of NASCAR items, found what I needed. I recommend if you are looking for values on Earnhardt items.

Great price and book

Very helpful!

ok

This was a fine guide at the time of purchase in 2000. It is now 2002 and most of the values are very much out of date. If you are buying or selling be very careful...consult a current edition of Die Cast Digest. Hope CheckerBee Publishing puts out a current edition.

Dale Earnhardt Collector's Value Guide (Collector's Value Guides) A GREAT BOOK, and fast shipping. This is what I have been looking for to put a dollar value on my Dale Earnhardt diecast collection.
