This is strictly a recipe book. A fast has to include a bible study. This does not. It does refer to Daniel 10:2-3, but that is all the spiritual teaching it has. As I have come to understand the Daniel

Fast in my studies, there is no leavening agents allowed, however his first recipe has baking soda and there is a recipe that calls for Greek yogurt. Greek yogurt is dairy (however you can get non-dairy yogurt which would probably work). Most of these recipes are very healthy, but do not follow a strict Daniel Fast. Beware as you use it and don't compromise on the walk God is leading you on. God Bless you on your journey!

Not well illustrated and has a lot of spelling errors. Recipes are bland and mostly common sense. Not at all what I thought. If it was worth the shipping and handling fee I would return it.

Received some great Daniel Fast recipes but most recipes required sooooooooooooo many spice ingredients and one recipe took 2 - 3 hours. It gets cumbersome and expensive!

This cookbook provides a great deal of recipes that have similar ingredients so as not to waste money on items that may not be used again. Also, provides for all aspects of daily meal planning.

There was not enough illustrations in the cook book pertaining to the recipes. Also the pictures were in black & white.

Don't care for the recipes. Not for me.

I like it but like everything else it takes a lot of time and effort to implement it into your life, but of all I have reviewed this one seems to be the best

Great cookbook. Food is tasty. I wish there had been pictures, so I could know what the food was to look like before I prepared it.
