# Out Of The Woods: A True Story Of An Unforgettable Event

## **Synopsis**

Antonio Willie Giroux lived in a hotel his mother ran on the edge of a lake. He loved to explore the woods and look for animals, but they always remained hidden away. One hot, dry summer, when Antonio was almost five, disaster struck: a fire rushed through the forest. Everyone ran to the lake-the only safe place in town-and stood knee-deep in water as they watched the fire. Then, slowly, animals emerged from their forest home and joined the people in the water. Miraculously, the hotel did not burn down, and the animals rebuilt their homes in the forest-but Antonio never forgot the time when he watched the distance between people and animals disappear.

## **Book Information**

Lexile Measure: NC990L (What's this?)

Hardcover: 40 pages

Publisher: Farrar, Straus and Giroux (BYR); First Edition edition (July 21, 2015)

Language: English

ISBN-10: 0374380775

ISBN-13: 978-0374380779

Age Range: 5 - 9 years

Grade Level: Kindergarten - 4

## **Customer Reviews**

K-Gr 3 "This deceptively simple and original picture book recounts an event that happened to the author's grandfather when he was four years old. In 1914, Antonio Willie Giroux lived in a logging hotel run by his mother in the forest by Gowganda Lake in Ontario. Lively and bustling, the hotel catered to travelers and outdoorsmen, as well as to lumberjacks and silver miners. Antonio was an active little boy, curious about the doings of the employees and the goings on of the hotel, and his activities are described in detail. One night, a fire broke out in the woods, and everyone fled to the lake. Ordinarily, different guests inhabited separate areas of the hotel (with travelers on one floor and working men on another), but that night everyone stuck together "including the animals, who

took refuge in the lake as well. Distinguished pen-and-ink illustrations with sepia-toned watercolor washes depict the events and characters realistically, dynamically conveying the movement and flow of the story. Some might doubt the plausibility of the animals and people standing so close together, though this is a minor quibble, as this book is less a strict biography and more a remembrance, with some artistic license taken. VERDICT While this wonderful, somewhat complex selection will be useful for those looking to use literature as a jumping-off point for introducing history, as with Laura Ingalls Wilder's "Little House" books, the story itself may lack child appeal and its message of unity may be lost on the intended audience.â "Ellie Lease, Harford County Public Library, MD

"A story valuable both as a glimpse into a bygone way of life and a record of a surreal, singular moment."â •Publishers Weekly" Awe-inspiring, exquisitely rendered, indeed "unforgettable."â •Kirkus Reviews

We LOVED this book!!!! The story is fascinating and the illustrations are gorgeous. It makes it even more special that it is a true story. HIGHLY recommend this book! My son is 5 and we are very outdoorsy....

We loved this beautiful story. It's a "quiet read" meaning the pace and pictures lent themselves to thought and reflection. I read it with a 2,4 and 6 year old. All were interested in the story and pictures. And the thought that one day God will allow us to enjoy all animals together with ourselves was something to offer as a hope to my little grandchildren. "The lion will lay down with the lamb."

This is a charming story set in Canada. We purchased this book for our grandchildren who live in Alberta and in 2016 that province experienced the largest fire that Canada had. This was definitely a timely book, in our opinion. This book was recommended by WORLD magazine as an excellent children's book.

Great book for children - easy to read out-loud and nice pictures for the child to look at and ask questions about.

I love the book! I'm 73 years old ! I rated to two children age 12 and nine and they liked it

We LOVE true stories, and this one is remarkable!

An interesting story because it is true.

Very excited about the book.
