Young Ezekiel: A Life Of Loves

Synopsis

YOUNG EZEKIEL: A LIFE OF LOVES Ã (Second Edition - as it appears in Approaching the Kingdom: An Anthology) Ã What is love? Ã Can you describe it? Ã Do you love your parents, friends, romantic partner and God in the same way? Ã In the English language, we use the word love in all these relationships, but the ancient Greeks - the first western philosophers - tried to capture, pinpoint and distinguish the different forms of love with four words: storge, philia, eros, agape. Ã In Young Ezekiel: A Life of Loves, Ezekiel will tell you about his life and loves. Though his life is unique, his relationships are like ours and, maybe, through his story, you will learn about yourself and the loves in your life.

This book thought me to appreciate all the type of loves that surrounds us in our everyday lives. It was very well written and short. Perfect for College students and adults that are looking to learn something and to be touched. Also, from reading the book, you can tell that the author is very passionate about his writings.

I LOVE THIS BOOK SO MUCH I BROUGHT A BUNCH FOR MY FAMILY AND FRIENDS. EZEKIEL IS A GENUINE, KIND SPIRIT WE ALL CAN LEARN FROM. HE BRIGHTENS MY DAY AND REMINDS ME OF HOW APPRECIATING OUR LOVED ONES MEANS EVERYTHING.

I enjoyed this book immensely. It is a great book for both teenagers and adults. You have a deep sense that the author has much love in him; and he wanted to share his love with his readers. This short in length but powerful book has positively impacted my life!

A wonderful book. The author, obviously, has tremendous love for this subject. Recommend to everyone.
