BE AMAZING: A Guide To Becoming The Best Version Of Yourself

Synopsis

Begin by believing and build on itAçâ ¬Â| BE AMAZING is an Acronym and in it lies the secret to truly becoming the best version of yourself! The Author, "John John" says, "Every day brings you new choices and opportunities. In order to take full advantage of all the wonderment that lies ahead, you must first be in the right mind set to succeed. When you wake up early in the morning, this is your special moment to grab hold of the day. Love your inner child. Let each morning be like Christmas! I feel that everything happens twice. First, in the mind, as your thoughts, or what you visualize. Then, the second time, in reality, as what you do or create." If you are looking for a way to be inspired to do your very best, then this book is a great place to start. Be Amazing is a simple yet powerful tool to train the brain and attitude to turbocharge your success journey.

Self-development is something we must dedicate ourselves to on a daily bases, which is why you and your family should keep this book close. This information will guide you and keep you on track toward your next level of greatness. John John's unique perspective gives insight well beyond his years, as he is truly an old soul. By using his method, John John has been able to develop a budding career as a motivational speaker, actor, educator, and magician. "Les & Ona Brown "The 1st Family Of Motivation" "Fear kills dreams; it can stop you, and paralyze you. Why? Because it stops you from taking the first step. Does this mean you should live recklessly and without any caution? NO. Putting your hand on a hot stove will burn your hand. Do not go down the dark alley in the middle of the night looking for problems or expecting that this will somehow prove you have no fear." Mentors I admire like Grant Cardone, Tim Storey, Steve Spangler, Bill Nye, JT Foxx & Les Brown. Coaches I look up to like the Shark Tank cast, Steve Harvey & the late Zig Ziglar & many more I mention in BE AMAZING. My non-fiction reading includes kid CEO books, anything I can get my hands on about science, NASA, space exploration, books on business etiquette, business consulting, customer relations, business law, business writing and science. In

fiction my favorite author is Rick Riordan Author of the Percy Jackson books. " "Scientists need to find a way to clone John John & his ideas for how to Be Amazing. As someone who has spent his career inspiring students, educators & even business owners on ways to be amazing, I'm excited about the impact & influence this book will have on a generation filled with unlimited potential & boundless opportunities. A word of warning: Don't be fooled by the youthfulness of the author. This is a book for anyone who wants to stretch their limits and discover new insights that will change their lives forever. Did I mention that we need to find a way to clone this kid?" Steve Spangler Science Influencer & Hall of Fame Speaker Emmy-Award Winning TV Host
