Doris Bountiful Bride (Young Love Historical Romance Book 7)

Synopsis

Doris Watson comes from humble circumstance, but when her family is blackmailed and her life threatened, the young lady is sent to safety. Her trip to safety is hijacked by the evil intent of a dangerous yet beautiful lady on the train – a stranger with a clever plan to implicate Doris in a spate of jewelry robberies and crush her family. Only Basil Dermott, a young man of Nebraska, with a nose for the truth and an eye to uncover wrongdoing, has the means to absolve Doris from these spurious accusations. And in his quest, Basil discovers not just the missing riches – he discovers the jewel of Doris' heart. Doris' stirring story is just one of the amazing tales of Young Love Historical Romance by #1 bestselling clean Christian romance author, Terri Grace. Each story is a great read in itself, and can be read alone, or as part of this one-of-a-kind series.

Didn't know so many young woman traveled by themselves in this era with out someone meeting

them at the end of journey.

These books are getting better and better as you go along. They have a great story and great message. Keep them coming

As with all the Terri Grace books, there is always a lesson and a witness to God's perfect grace. The book is part of a series but reads as a standalone. The story shares God's love, guidance, protection, and loving grace without being preachy. The Watson family finds themselves being blackmailed and the life of their daughter threatened by a thief, so they place Doris on a train to the Dermott family in Nebraska. A train mate, matching carpetbags, a kidnapping, and an imposter will set this tale into motion. The plot will have Doris traveling to Nebraska, upset about the problems her parents are facing, and the unknown future for her and them. Arriving, being kidnapped and taken to an Indian village and left tied in a teepee is harrowing for this distraught young woman. As Basil Dermott starts piecing together a tale spun by Maggie Kirk, his instincts know they are lies, but proving it will be the challenge.

"She knew that the Lord had led her on the journey west, not only to clear her father's name, unite her with a boy now man she had always loved, even if it took being kidnapped by him for her to realize it. With God, nothing is an accident, and His blessings will be abundant. "No matter how many times she'd felt helpless in the past, she now knew firsthand what it was like to truly trust the Lord. It was a lesson she wouldn't forget. One she was thankful she learned." Disclosure: I received an e-copy of this book and voluntarily read and reviewed, All thoughts, opinions, and ratings are my own.

A Butlers family were being blackmailed by a woman who claimed to be a relative of the family that lived in the home, the Butler caught her stealing jewelry so she threatened the man's family. The daughter was put on a train for the west to be with friends until they could be cleared. When she arrived two men put a bag over her head then tied her up taking her to the Indian village, then they found the woman that they were looking for was at the farm of the bounty hunter. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me entertained throughout the entire book before putting it down.

Another great read from Terri Grace! I personally own many of Ms. Grace's books, and I swear that

they keep getting better! As a member of the reader team, I do get an advanced copy, but I would buy them if I had to, they are just that good. If you are looking for a clean, faith based book with believable characters, this book is for you. It's an easy read and well worth your time, so buy it today.

Another very clean mail order bride book from Terri Grace. Quite a twist of the plot for Doris to become a mail order bride. Her arrival is fraught with danger. Will she find true love? You need to read to find out. I voluntarily reviewed an Advanced Reader Copy of this book.

This story is really good in the fact that it always has a theme with it. Doris gets sent away as her father is being black mailed, then she is kidnapped. Then a different turn of events bring things around.

Another great story by this very talented author. I have enjoyed reading her stories and look forward to reading more.
