Hinako Takanaga was born on September 16 in Nagoya, Japan. She is the creator of many popular series, including *The Tyrant Falls in Love*, which was also adapted into an anime series. She is a virgo, blood type O, and a self-proclaimed coffee addict who can get violent if she doesn't get her daily dose. A fortuneteller once told her she wasn't suited to be a manga artist, but she doesn't believe in fortunetelling anyway. She currently lives with her vicious cat Choro.

~4/5[More of my reviews are available on my blog, [Geeky Reading](#), to which there's a link on my profile.]This is such a cute series. It's so adorable, sweet, cute, hot. I love it. There was a lot of focus on Yuji and Kagami this volume, and they finally got their kind of happy ending, for the moment. I like them and all, they're fun to watch, I liked seeing Yuji accept his feelings and Kagami's and how he's so embarrassed and defensive about it all. But

they're just not as good as Satoru and Tamiya to me. That's probably only because I love them so much, but I really just want more of them. I want the volume to focus on them, all the time. I just want more, okay? They did have some focus at the end, and aside from that, there was this really cute confession under a tree superstition that was just really funny. I like how both couples get along so well, their interactions are so funny. I really like this series, it just makes me smile. And it sucks that it's going to be a while until the next volume comes out, possibly a long while since I don't think the next volume is even out in Japan, and I don't know when it will be. I hope soon. Until then, I'm probably going to have to pick up another yaoi title, possibly from SuBLime, and there are several that have caught my eye, so it won't be hard to do that.

LOVE IT, THIS BOOK IS SO CUTE. I LOVE THIS SERIES!!!!

I have loved all of these books. It isn't as explicit as some I have encountered. They are really, truly amazing though!

It's a cute story and I can't wait to get the next volume!!!!

Great

Love it! It's beautiful

Loved this series! The book is great and I can't wait for the next volume!

This is a great end to this series...wish it didn't have to end, but it was a good spot. The characters are lively and fun.
