# Vermont: An Explorer's Guide, 10th Edition

## Synopsis

From the green foothills of the Connecticut River valley to the shores of Lake Champlain, from the peaks of the Green Mountains to the far reaches of the Northeast Kingdom, Vermont: "An Explorer's Guide goes beyond Ben & Jerry's and the most popular tourist destinations to include towns and communities that are off the beaten path, yet hold special interest and charm to delight travelers of all tastes and budgets. "Vermont: An Explorer's Guide is an indispensable resource for exploring all this unique and intriguing state has to offer.

## Customer Reviews

Our #1 travel tip: Get this guide! -- Yankee Magazine

Christina Tree has written about Vermont's attractions for the Boston Globe for nearly 30 years. She is the co-author of Explorer's Guides to Maine, New Hampshire, and the Berkshire Hills and Pioneer Valley of Massachusetts, and is a contributing editor to the Yankee Magazine Travel Guide to New England. She lives in Cambridge, Massachusetts. Sally West Johnson is the former editor of Vermont Magazine. She lives in Middlebury, Vermont.

I used this book when travelling around Vermont last summer. Tons of information on sights to see, outdoor activities, lodging and restaurant. The maps were also very helpful in navigating through the state. I liked the fact that it broke the state up into six main areas so it was easy to find information

when I needed it. My only complaint is that they didn't rate things on a star basis so I used this book in conjunction with the Frommer's guide. I recommend getting both because the Frommer's was a bit skimpy on information about things to do and see.

I just bought this book this week, and it is so packed full of great information. Restaurants, the history of the town(s), routes to take, inns to stay at, sports activities, farms to visit, hotels, special events and dates, shopping, etc... My ONLY complaint is that the pictures are all black and white, and there aren't very many of them. But then again, it never claims to be a photographic portrait of Vermont! Love it. Five stars.
