Retribution (Dylan Kane #7) (Special Agent Dylan Kane Thrillers)

Synopsis

“Dylan Kane leaves James Bond in his dust! USA TODAY and BARNES & NOBLE #1 BESTSELLING AUTHOR A MASTER STORYTELLER OVER 800,000 BOOKS SOLD OVER 3,000 FIVE STAR REVIEWS A CRIPPLING CYBERATTACK. A HEART-WRENCHING LOSS. WILL ONE MAN’S THIRST FOR REVENGE LEAD TO WAR? Two years ago, cyber security specialist Clayton Hummel unknowingly betrayed his country for love, and today, billionaire Franklin Temple pays the price. Blinded by grief and rage, and dissatisfied with his government’s response, Temple uses his considerable wealth to take matters into his own hands, and bring justice to those responsible for the greatest cyberattack in history. And his thirst for revenge may just lead us to war. Join CIA Special Agent Dylan Kane and his team, as they race a grieving father to find those responsible for a ransomware attack that crippled millions of computers around the world, including those in one town, in one hospital, where one young, innocent patient died as a result. From USA Today bestselling author J. Robert Kennedy comes another torn from the headlines thriller, Retribution, where he once again takes current events and twists them to his own end, delivering a taut action-packed page-turner certain to leave you wondering who to cheer for. Packed with heartache and pain, hope and romance, and enough thrilling action and laughter to satisfy any fan of the genre, Retribution delivers like only Kennedy can. Reserve your copy now, and be among the first to read what might be tomorrow’s headlines! WHAT READERS ARE SAYING ABOUT THE DYLAN KANE SERIES “The action sequences are particularly well-written and exciting, without being overblown. “I love how the author explains what’s needed but doesn’t just ramble on in narrative. “The events in this adventure are so real and so heart pounding you can’t put it down. Mr. Kennedy is by far my favorite writer. “Don’t mess with Kane, he takes no prisoners, especially when you target his friends. “This is one of the best stories I have ever read. The action and plot is believable and exciting and of course the climax is nail biting stuff. This author sure knows his stuff - if not, he does a great job of convincing his reader that he does! “Fast paced international spy thriller with good old American values among its main characters. I’d like to think we really do have agents like Kane.”

Customer Reviews

I remember the Dylan Kane character appearing in the early books in the James Action adventures. I was thrilled when the author expanded his character into his own series. I feel that these books have now exceeded the excitement and intricacies of the Action books. Dylan Kane's previous adventure was truly exceptional. This one is equally as good. As a big fan of the Delta series also, I love it when they show up in the various books. They add humorous moments to otherwise extremely tense situations. As for Sherrie White, I now have a different perception of whipped cream...Had trouble putting this story down when I started it since I had to see what happened next. Incredible! I highly recommend the book and the whole series. Just a note that I received an ARC copy of the story, but it was so good I also purchased it.

As always a hard to put down contemporary thriller. Dynamic, mischievous and tender Kane and friends get embroiled in a cyberattack with Russians and North Koreans as protagonists. Bravo team lends a hand to prevent a further escalation of conflict and rescue an American kidnapped victim. CIA operatives never disappoint in their quest to keep Americans safe, at least in print. Looking forward the next Kane thriller!

I am a huge fan of all of JRK's books and Dylan Kane is one of my favorites of the

series. I love how he brings characters from other series into other series as in this case The Delta Force team. I received a free copy of this eBook in exchange for an honest review. I recommend that you read this book and if you like it which I believe you will read Delta Force and Acton series as you will enjoy them too.

I stumbled upon Kane while reading Kennedy's James Acton and his wife Laura series. This is the fourth Kane book I have read. It is fast paced, with so many twists and turns it's like being in the Indy 500. The plot is based on a billionaire who seeks revenge on the perpetrators of hacking and disabling IT systems for ransom which results in the death of his daughter. It is a pending disaster and how Kennedy dreams these up is incredible. Kane is a mixture of suave, bright, tough and attracts a deep bench of characters who support him with intel, muscle and logistics. This Kane installment is worth the read. "I received a free copy of this eBook in exchange for an honest review."

Once more a book which is read much too fast, not because it is short, but because it never leaves your hands and eyes until it ends. I love the humor, and Sherry White is every man's dream

J. Robert Kennedy never fails to deliver a top-notch adventure thriller that is possible. This time he's very timely in writing about state-sponsored cyber warfare run amok. As always, his characters are believable larger-than-life heroes whose exploits keep you turning pages until the very end, with a good amount of laughs along the way.

Another great read from JRK.. Fast and fun hard to put down but one thing, Fang needs more exposure. She should go on a mission with Kane so she can kick some A-- I love Delta, Leroux, Sherrie and all the banter that goes on between them all..

Kennedy does it again, this book is great. You get a little history lesson along with his great writing. I received this ebook free for an honest review.
