As a longtime Harry Potter fan, I couldn't resist this journal. It's well made, with a soft, realistic imitation leather cover and shining Hogwarts logo. The endpaper illustrations are absolutely breath-taking. This book looks and feels exactly like something a Hogwarts student would carry to class. With that said, there are two minor flaws with this journal. First, there's the elastic band, which is unnecessary and kind of flaps around when not in place. Also, based on other reviews, I expected wider ruled paper, but the lines are actually quite narrow. I decided to suck it up and just try to write smaller, because this journal is so beautiful. After I'm finished with it, I might spring for the Gryffindor notebook, but I really wish there was a Ravenclaw edition. The house colors would be perfect for a journal cover, and a lot of fans identify with that house.

WOW.. Completely BEAUTIFUL. The quality of the book and pages is VERY good. Images inside are lovely printed. A very good notebook for a Harry Potter fan. LOVED IT. The hardcover is beautiful.

My 7yr old got this for Christmas and was very happy as a Harry Potter fan. Just as pictured and good quality. Has the colored pictures and descriptions of Hogwarts and some characters in the front of the book. Happy with the purchase.

Bought this for my BF and he liked it. The quality looked fine to me. Is a nice gift if you aren't really sure which Harry Potter house the person likes most.

What a wonderful and beautiful journal. Made very well, the paper is nice and heavy, lines are small for those into that, nice bookmark that's not too big or small. The inside pictures are so beautiful. A must have for all HP fans who either journal or Bullet Journal.

Bought as a gift for a Harry Potter fanatic I know and she liked it. I thought it was going to be a bit bigger; the size is great however and has multiple possibilities for use.

Purchased as a present so I didn't see this product open out of its packaging. However, from the cover you can tell the journal is pretty well made and doesn't look cheap. The present went over very well and in my opinion this product is a great idea for anyone who loves Harry Potter.

This is gorgeous and great quality! The pictures make it even better. I'll be getting the other Harry Potter journals as well. Very pleased!
