Customer Reviews

I bought this score 3 weeks in advance of an audition. I wanted to be well prepared, and when I saw 'bestandfastestbooks', I thought I was making the right decision. My score came after a full 2 weeks of waiting...from NJ to Texas. This left me with a week to prep, far below the time I actually needed. As a result, I had to audition on book, which I was and will never be comfortable with. The quality of the score was as advertised, so I have no problem with that. To future consumers: If you just want a book for your own enjoyment, go ahead and order. If you actually need it for a reason by a certain time, don't believe that these folks will get it to you fast. They will not.

This piano and vocal score (no spoken dialogue) is fine, but the print is a bit small, and in some places the words to the songs are hard to read. It looks like a reprint of an older score; a more modern type-setting would be more useful for the musicians to work from.

Terrible edition. This is a BAD reprint of the old version of the score. Some words and notes are illegible, many lyrical errors, and often difficult to determine who is singing at certain points.

perfect. as the price. For a home product, for the price, this is quite good. I prefer a heavier product altogether, but I was surprised with the quality considering how inexpensive this product is. Coming from a professional background, I'd say this is a great piece to start with. send it to my grandson, just fine.
