# Chapter Leadership

## Synopsis

What is the secret to a successful Masonic meeting. In this book about freemasonry structure, you will read about organizational structure that can be used for Masonic Jurisdictions, The Order of Eastern Star membership, Masonic Lodge membership, and the true purpose of freemasonry business development. All Masonic meetings should be structured for the benefit of the craft, and this book will not only show you how, but also serve as an effective guide for Eastern Star chapters nation-wide. This Masonic structured guide is a great contribution to Masonic Leadership and a true representation of what Freemasonry is all about! A must read for any member of the Order of Eastern Star, and a must have tool for all Worthy Matrons. More of what you'll find inside

- Fundraising techniques
- How to run a Masonic meeting
- Creative team building
- How to gain corporate partnerships
- How to retain members

## Customer Reviews

It is hard becoming a good leader. This book have highlighted on ways to be a better leader. To identify the needs of your chapter and its members. I never want my members to feel that I am dictating to them. First as a leader you have to find what each member has to offer to the chapter by doing so you can move onto finding the best person suitable for the task at hand. This book pointed out ways to best show you as the leader to identify what special talents each member has. This way you can find the best person suitable for your program at hand. Help you recognize what you already have in your chapter. Ways to give back to the community. Everyone want to feel important ways to use it.

I should've read the reviews a bit more. I thought that this book would explain the leadership roles in a chapter as well but it didn't. Still good info.

The information in the book appears to be solid but there are so many spelling errors and typos that it is difficult to stay focused on the text. Author needs a proofreader.

Gives proper insight to a very old tradition.

This is a good source to understand what is expected in terms of chapter leadership for not only O.E.S. but any organization which requires a governing body to function. Works well with RRO.

I have enjoyed reading all of the great ideas , in this book.

Great book.

Good information
