The Forbidden

Synopsis

FROM THE #1 BESTSELLING AUTHOR OF THE THIS MAN TRILOGY.... What do you do when you can't control your feelings for someone? When you know you shouldn't go there? Not even in your head. Annie has never experienced the 'spark' with a guy-the kind of instant chemistry that steals your breath and blindsides you completely. Until a night out with friends brings her face to face with the wickedly sexy and mysterious Jack. It's not just a spark that ignites between them. It's an explosion. Jack promises to consume Annie, and he fully delivers on that promise. Overwhelmed by the intensity of their one night together, Annie slips out of their hotel room. She is certain that a man who's had such a powerful impact on her and who could bend her to his will so easily, must be dangerous. But she's already in too deep. And Jack isn't only dangerous. He is forbidden.
