Customer Reviews

"This book accomplishes the near impossible: it's attractive, well-organized, just about as complete as it could be, and at the same time it's small enough to be quite portable. And did I mention readability? Nina's personality shines through, making it a fun read as well."-Minnesota Monthly

A great guide to all attractions including logging and restaurants. Nothing has been overlooked. This is a must for any traveler the north shore whether new to the area or even a resident.

This book really is a great reference if you are going to visit the North Shore. It covers everything from lodging, food, and great places to visit. I would highly recommend this book if you are planning a vacation to the North Shore of Minnesota.

Nina's book goes far beyond the "where to eat, where to shop, where to stay" standard of so many guides. It talks about the shipwrecks of Lake Superior, the geological landscape, rivers and waterfalls, outdoor activities (including curling and watching the stars) and where to locate the nearest liquor store! It is obvious that she loves her neighborhood, and this book helps you to explore more than the surface. A must read for anyone headed up Highway 61 - and a great gift for those who live there.

Funny, well written, and very complete
