One morning, my 5 year old went downstairs and poured 2 bowls of cereal and called for me to come downstairs that he had a surprise for me. When I saw he made breakfast for us and the look on my face. He said, "I did this for you." I said, "Thank you, but where did you get this idea from?" He said, "You know...the book we read with the little boy who can do everything."

This is a wonderful children's memory verse book. The characters were great and the story line was very good and flowed well throughout the entire book. A very nice way to teach one of my favorite memory verses. Children and adults will enjoy this delightful book.

This is a fantastic and encouraging book for everyone. Not just children. I shared this book with an adult family member and she was able to learn something new as well. I can hardly wait for the next book in the series to come out! Keep up the good work Krystena! God has truly given you a gift!

This is an excellent children's book. It teaches through story and biblical reference to never give up. Kids should find the illustrations captivating. Waiting for the next in what I hope is a series.

This is a wonderful book for children. It easy to read and encourages children to remember that if they use the word of God they can do all things. My 9 year old daughter loves it!

I highly recommend this book for teaching the Word of God and building self confidence. My six year old son loves the book.

Even though the main character is a boy my daughter loves this book and wants me to read it over and over!

My four and three year old loved this and asked me to read it again. Very cute! I wish they were more of them in the series for less than 2.99. I'd buy them all!
