Subway Surfers: The Unofficial Players Guide For Game Tips & Secrets

Synopsis

There is no doubt that the mobile gaming market is currently on its boom, as every other day a new innovative game is launched that completely revolutionizes the market. One such game that has revamped the mobile gaming industry is Subway Surfers, if you have been living under a rock for the past few years and do not know what this game is all about then you have come to the right place. This game revolves around a character that is vandalizing a subway station and is caught red handed by an inspector and his crazy dog. So, what do you do when you are caught red handed by the authority? You run as fast as you can in the opposite direction and this is what this game is all about. This endless running game has cemented its position in the mobile gaming industry for quite some time now due to the vibrant aesthetic facet of the game and due to the fact that nothing beats running away from the authorities! This game was released back in 24 May 2012 and since then has come a very long way. By 2015 this game had achieved over 1 Billion downloads! Yes, you read that right; 1 billion people from all around the world using different platforms have downloaded this game. This statistic only represents the benchmark they achieved back in 2015, as people are currently still downloading this game even though it was released ages ago. What is really beautiful about this game is that the developers have made sure that no one is denied the entertainment Subway Surfers provide, as they have released the game both on IOS platforms and Android systems as well. If that's not enough, you can even download this game on your desktop or laptop as well! If you haven't downloaded this game yet, you have no idea what you are missing. So, drop whatever you are doing and download Subway Surfers as soon as possible!

Customer Reviews

This book makes the things I thought were hard about this game SO much easier. Found out how to unlock characters and takes you through the basics to more advanced tips. Great buy!

subway Surfers is by far the most fun game to play. Didn't think it was possible to add to that fun, till I went through this guide. A lot of moves I didn't know about that I found in this book. Crazy Cool....2 thumbs up
