I have always loved Adventures in Odyssey, since my days as a parent of middle schoolers. Well, my youngest left home 10 years ago and I’m still buying the sets. They are entertaining, well done, and teach values. I use them for enjoyment while driving in my car on long road trips.

From the first episode, this album captured my attention. It ranks among the best I have heard yet from Adventures in Odyssey, and I am one of the people who have listened to many of the albums. The stories were well-written and entertaining. I laughed, felt sick, and also became a little teary. I was shocked to hear Mitch in the last episode, and Sergeant York’s story was so good it made me go look him up on Wikipedia. This album almost rivals the Blackgaard saga and the Green Ring Conspiracy for my favorite.

Faith building fun! My son INSISTS that we listen to Adventures in Odyssey every time we get in the car. I am more than happy to oblige and has the best prices!

My 6 year old grandson and I love to listen to these CD’s while driving in the car! Great lessons and interesting stories!

Got as gift for my granddaughter who requested it. She says she loves it.
