Customer Reviews

I have emailed support for the answer to this question and when I find the solution you charge me \$3 for this piece of crap

It's my bible for returning books since it takes me straight to the source to return a book!

This was a mistaken ordet

A one page book? Give me a break. It had the same wording that appeared on the web site. A total rip off. Beware of what you buy, check the comments first. Kindle should check any publication that uses their name. Very disappointed. 1/2 a star if I could!!

Don't think it was worth \$3.00, should have come with Kindle

love this for returning borrowed kindle books!

It has handy link for returning the books to kindle unlimited right in the front .
