C.L. Fornari is a writer, professional speaker, and the host of GardenLine, a call-in radio program heard on WXTK radio. She is the author of several books including *Your Garden Shouldn't Make You Crazy* and *A Garden Lover's Martha's Vineyard*, and numerous articles for *Angie's List Magazine*, *American Nurseryman*, *Prime Time Magazine* and other publications. C.L. speaks about all aspects of gardening, from practical advice to the ways that the landscape functions as a metaphor for life. She also runs a consultation/garden coaching service for Hyannis Country Garden, a family-owned garden center on Cape Cod. Many of her consultation clients are those who are planning garden weddings. Her website is www.GardenLady.com and she blogs at www.WholeLifeGardening.com and www.GardenWeddingExpert.com

Full disclosure. I know C.L. I've seen her garden(s), I attended a spectacularly beautiful wedding she created. I've enjoyed all her books. I've read her blog. I've heard her on the radio. I've seen her photographs. I've admired her artwork for decades. She's pretty much one of those "off the charts" creative talents who accomplishes more in a year than most mortals aspire to in a lifetime. But! Ahaaa! Can she write? Well, it just so happens she can. In fact, terrifically. It's all enough to make you think it's kind of unfair that one person can be blessed with so much talent and ability, while the rest of us putter around with fingers crossed stumbling in the dark. Ah well, some got it and some don't. She's got it. BTW. I heard she's working on fiction now. Is there no justice?

This is a fun and easy read for people who are thinking of a do it yourself garden wedding. Filled with very helpful hints from the moment of, I always wanted a out door wedding to what about mother nature, to how many flowers do I need to grow. As a Florist and gardener myself, I can tell you C. L. Fonari, hits on all the gray areas and walks you through the before, during and after of a garden wedding. If you are going through with a out door wedding or even a party you must own this book.

CL Fornari is a great gardener and landscaper. She has all sorts of wonderful, creative ideas that are sure to please even the pickiest brides. Not only is she a great writer, photographer, and landscaper, she's a pretty awesome mother in law too!

A beautiful book from a master gardener and designer extraordinaire. Impossible to think you can harness all C.L.'s imaginative ideas between the pages of book, but somehow she has managed to do so. A must read for every bride considering a garden wedding.
