OMG this is a perfect gag gift for my mom.

I love bringing this to church. People tell me I should read King James, but I just tell them I read Lebron's tweets.

This is lit, straight hellfire. Devils #1 paperback mixtape. Yeeee

We just received this as a house warming gift and it's amazing. We're not religious, but I made a joke about how we should keep a bible in the bedside table of our guest room, like a hotel. Well our friend found us this and now I am even more excited for people to peep in that drawer. As far as I can tell it's pretty accurate as far as the content, just in more ghetto terms. It uses a lot of U for you, 2 for to type terms, but the message remains the same. This is obviously for a special kind of person, but I'm so pleased with it, and this will be the next Christmas gift for so many of our friends.

Not what I was expecting. Sounds silly but it's literally all words, in a book right? No, but based on

the cover I thought that maybe there'd also be other scenes that were of Jizzle and the other discipizzles or something but nah.

LAWD if u read this ur brain finna b WOKE af 100 a-ok emoji fire emoji

The contrast of the sacred nature of the original text retold in not-taking-itself-too-seriously gangsta slang is what makes the comedy work. It gets even funnier when you imagine Snoop's voice reading the verses...

Bought this hoping for a good laugh but instead I got some pure trash. This is middle aged white pastor rapping levels of bad. Do not buy.
