All the twists and turns in the book left me on edge so many times. I was so happy when Twigpaw

found her kin, and Skyclan. I can't wait for the next book comes out. I'm looking forward to seeing what'll happen next. :)

Erin Hunter continues to impress with these series. Each book is unique and fascinating in its own way. This one in particular is touching, exciting, and packed with danger and reward. Every chapter keeps you on the edge of your seat until you've finished it, which is classic for these books of course! 5+ stars

Best book my daughter says she has ever read. She loves the poster it came with. Kudos to Erin Hunter

My boys love this series and I've found them interesting too.

My 12-year old daughter reads & re-reads every book in this series.

I just LOVE this book!! It's really exciting and dramatic and amazing and awesome and it has a lot of twists!!! I would recommend this book to anyone who has a heart for animals, fantasy, and exciting twists and turns!!! Oh, and don't read the warriors books out of order!!

The next instalment in A Vision of Shadows is just as good as the first Two books in the series. Every Warriors fan must have this book!!

Bought several Warrior book series packs for my granddaughter and she absolutely loves reading them.
