Seek And Destroy (A Brady Hawk Novel Book 9)

Synopsis

Brady Hawk has been the last line of defense between ruthless terrorists and untold bloodshed. But this time, he can't win . . . As hundreds of thousands of Muslims make the annual pilgrimage to Mecca, Katarina Petrov seeks to undermine the United States' tenuous trust with the international community with a false flag. With The Chamber, Petrov's shadow organization, struggling to maintain its control among the power brokers of the world, she engages Hawk and the Firestorm team in a dangerous game. And in this showdown, it's her winner take all.
