Lords Of Ascension (Marshyl Stories Book 2)

Synopsis

An outlaw army of wizards and mercenaries is on the brink of disaster. One Marshyl Knight and his apprentice face an impossible task. Lords of Ascension is the exciting second novel in the epic fantasy Marshyl Stories series. Dex is a teenager on assignment with Outrider Reegan, Marshyl Knight. It is his first foray into the realm as an official member of the exclusive guild of wizard warriors known as Marshyls. They have the power to protect people from renegade wizardry, but is Dex ready to face Wand Casters, Ring Mages, and powerful Sorcerers? Sent on a simple assignment to spend his summer with the veteran Marshyl Knight on a mission to discover the truth about a mysterious gang of outlaws known as the Lords of Ascension, Dex is thrust into the heart of the conflict between magic users. His summer of apprenticeship quickly becomes a test of everything Dex has learned and his commitment to the guild he has pledged his future to. Filled with heart-pounding action, characters you'll fall in love with, and a wizarding world like no other, you'll love Lords of Ascension. Written with young adult readers in mind, Lords of Ascension brings all the wonder, magic, and adventure you've come to expect from Toby Neighbors. Set in a world of gritty ruggedness that harkens back to days when only the strong survived, the magical system in the Marshyl Stories is both unique and addictive. With a spellbinding storytelling style, and a fascinating magical world to explore, you won't want to miss this exciting installment in the Marshyl Stories series.

Customer Reviews

I understand that this is a YA book and the main character has to save the day in the end. But who sends a kid who has not training other than physical fitness on a mission by himself? And why should I root for a character who picks a fight so she can duel and possibly kills a random person just to prove to herself she could?

The plot was interesting though at times was hard to follow but I think that helped the overall pace of the book

Love Toby neighbors enjoy his writing and characters look forward to reading more of his books in the near future.

I have found a great Author, I am a 64 year old Fantasy lover, I had never read Toby Neighbors before this book but will continue for as long as he keeps writing great Fantasy. His books are interesting from start to finish, he has me hooked.

The story flows it keeps your attention as it both entertains and grabs you. As much as the first book I couldn't put it down and read it in one sitting and I'm sure I'll read it again just like the first. If you're looking for an engaging series with relatable characters and an original story you won't be disappointed.

This is a very well written series, easy to read and with characters the reader can easily feel are known. It was nice to read a good tale with no doubt as to who the characters were and certainly without horrid language. Can't wait for the next book.. enjoy this author's books very much!

I really enjoyed reading this second book and can't wait for the next one! Toby Neighbors has amazing powers of imagination! I just love it!

Great book can't wait for the next one.
