The Great Mall Caper: A Gideon Ten Adventure Book #1

Synopsis

What Happens When a Promise Seems Too Hard to Keep? When Rick Barber and nine of his friends come together to help complete a church project, little do they know that their real purpose will turn out to be something completely different. A concerned grandmother confined to a nursing home asks them to help her grandson, whose reputation has been unfairly damaged. In a small town, this has prevented him from pursuing his dream of entering law enforcement. They promise to help—without realizing that their quest will plunge them into the adventure of a lifetime. They will come up against conflict with the police, a gang of thieves, and even dissent among themselves. But Rick takes his promise seriously, and is determined to follow through for the people who are relying on him. With the help of the Lord, the Gideon Ten will persevere—and along the way, they will learn valuable lessons about friendship and teamwork. Realistic, compassionate, and uplifting, *The Great Mall Caper* is the first in a series you will look forward to and cherish.

Customer Reviews

Del Hayes has captured the imagination of the teenager and successfully portrayed it in this book. It is insightful, simplistic, and yet keeps moving with several surprises within this group called, The Gideon Ten. He also threw in a few words I had to look up in the dictionary, so I learned a little bit too. Good book for teens and young adults. Good adventure story with a message.
