Li Jian graduated from Hebei Normal University in 2001, majoring in Chinese Painting. Mr. Li used to be a middle school art teacher, an editor for children's books, and a partner in an illustration studio. Currently Mr. Li owns his own studio focusing on illustrations for children's fairy tales. He is the author of The Water Dragon and The Little Monkey King's Journey.

Only complaint about this book is that it does not have pinyin. It is nice to have a step up from the books meant for toddlers, but still easy enough for me to be able to read most of the characters (2

years college mandarin) without the having to look up the characters.As for the story itself it is a nice story and seemed to hold my three year old daughter's attention when i'm reading it in English or Chinese.
