So wonderful, meaningful and beautifully displayed. Teaching little ones the Ten in such a fun way can make a lasting impression. Buy, buy, buy!

The Greatest Ten is a children's book that teaches the ten commandments. Each commandment is written to be understandable for children. It says on the back of the book: "These verses may be sung to the tune 'This Old Man, He Played One.'" And yes, you really can sing the whole book to that tune. The author is a good poet. Also, the illustrations are really impressive and they each display beautiful scenes that are relevant to the commandment at hand. My favorite is the Sabbath dinner table illustration. This is a great book, I highly recommend it.

The Greatest Ten is a beautifully written and illustrated book. It has a lot of meaning and information and will be enjoyed by everyone who reads it.

Great book for children - well done and highly recommend.

Excellent book and a great way for kids to understand the Ten Commandments. I love the fact that the story can be sung to the tune "This Old Man, He Played One". My grandchildren will enjoy the book as much as I do!

My kids love this book! They read it over and over with smiles every time.

This is a wonderful way to teach young children the Ten Commandments. The words (lyrics) together with the creative illustrations make it fun and memorable. A keepsake to be handed down from generation to generation.
