Customer Reviews

This book provides timelines and hotels, but doesn't consider the difficulties of traveling in Bucharest

Quick guide provides nice areas to learn and explore Bucharest. Mentioned sites were easy to travel and see. I would have liked more options near these sites.

Really disappointing, is just a collection of adds. Suggests only one place to eat or one venue for each location. Was not useful at all

Concise and to the point. All that one needs if you have limited time to spend in Bucharest.
