## Customer Reviews

In this compact guide you will find all the key information about Atlanta needed to plan an exciting short break. Transport, accommodation, what to do, restaurants, safety and more are discussed. It breaks them down in budget too. This is the ideal pocket guide for the aspiring tourist who does not want to plan a very long stay.

Very little information. You can get more info off trip advisor or other websites.

Too brief and predictable. I was hoping for a suggested itinerary for a 3-4 day visit but instead got a half hearted attempt at a brief, but conventional, travel guide.
