Tim Chambers is a fellow artist who creates beautiful paintings, not in spite of his weakness, but because of his weakness. His personal story and amazing works of art show us all how to lay before our great Creator our own limitations, for only in doing so can the Master Artist have his way with his brushstrokes across our lives. ...Tim's inspiring story will touch your heart! "Joni Eareckson Tada, Joni and Friends International Disability Center I know and respect Tim Chambers. I deeply appreciate his artistic gifts and skills, his desire to honor God, and how he has faced significant adversity. I commend Tim as an artist and a person." Randy Alcorn, author of *Heaven, If God Is Good, and Happiness*

Timothy J. Chambers is an American artist renowned for his exquisite landscapes and portraits. While dealing with the gradual loss of his sight and hearing, he continues to encourage others to find the

beauty God has placed all around them. Timothy has received both national and international awards for his work and is the founder of the Iguana Art Academy. Connect with him at TimothyChambers.com.

Tim Chamber's new book is artistic, educational, thoughtful, inspirational, and joyful. The images are both organic and geometric, there is something for everyone in this masterpiece.

I've owned many of the adult coloring books over the past few years. This coloring book is one of the best I've seen yet. There are many artist tips throughout this book which I love. Each page opened up a whole new idea and use of your imagination. I recommend this book for all ages.

I ordered 4 of these coloring books for my daughters and daughter-in-laws for Mothers Day. They loved the book and plan on getting them for some of there friends. I ordered 4 more, one for me and for my friends. I think this is a beautiful book. It gives a course on art and is so inspirational, it's a great book.

Seeing Beautiful is not only a wonderful coloring book for adults, it comes with a heartfelt story from an amazing artist, and wonderful quotes throughout to motivate. It is truly inspired and inspirational. I will be buying more copies as gifts for those I love. And, a free online coloring course is included in the very inexpensive price!

It arrived on Mother's Day!! So happy! My mother is enjoying this beautiful book!!! Thank you Timothy for sharing your gift of art !!!

Very disappointed. Very few to color. More like an instructional story book or something. Never again will I take a chance when there are no pictures or examples! Beautiful covers, questionable reviews. Waste of money to me.

This coloring book is wonderful for anyone who wants to learn and be inspired when they are relaxing. The coloring tips that are given alongside the images lets you come in to the book with artistic techniques other than block coloring and shading by pushing harder on the colored pencil! There is a great variety of images in the book, ranging from mandalas to landscapes, still life to famous paintings. One of the main points of the layout of the book is that there are no blank white

pages. As someone who owns quite a few coloring books, paints, and draws, this idea is fantastic! Because I almost always work from photographs when I draw or paint, starting from nothing when it comes to color and shading can be very intimidating! Beautifully illustrated and thought out.

If you want MORE than a coloring book - if you want inspiration and encouragement from an overcomer, then let Timothy Chambers take you on a journey. Let your eyes be opened to the beauty all around and let your heart be lifted up in gratefulness. With Tim as your guide, you'll be seeing beauty in fresh ways!
