# Keyboard Primer Book For Beginners With DVD

## Synopsis

The Keyboard Primer Book for Beginners with DVD by Lee Davis is designed to help the beginner learn how to play keyboard or piano. This beginning keyboard book teaches the absolute basics like proper technique and hand positions, scales, chords, note reading, and more. All music is written in standard music notation and is fully explained. After covering the essentials, the course then moves on to the songbook section where the student will learn how to play basic and more advanced arrangements of 10 different songs. The included DVD features video instruction and performances of each song at two speeds (slow for practicing and performance tempo). These beginner lessons will teach you how to play keyboard today. All video lessons and audio tracks and exercises are also available for online access.
