Cool Dog, School Dog

Synopsis

Tinka is a cool dog, a school dog, a breaking all the rules dog. A hall dog, a ball dog, a crash-into-the-wall dog. Join Tinka, a dandy, sandy Golden Retriever, as she unexpectedly visits her owner at school and helps his class learn to read. Bright illustrations rendered in acrylic paint add to the excitement in this playful back-to-school story about a boy and his "loves-to-hear-a-book" dog. The author and illustrator of Cool Dog, School Dog have donated this book to the Worldreader program

Customer Reviews

Do you like dogs? Do you like school? The author, Deborah Heiligman, has written a fun book. Tinka is the dog in this book, and believe me, Tinka does everything. Tinka is good, Tinka is bad, Tinka is fun, Tinka is sad, Tinka runs, Tinka suns, Tinka is cool, and Tinka goes to school. When you read this book, you will discover exactly what Tinka does, and believe me, Tinka does everything. Adults will enjoy reading this book to their children. The children will love the rhyming and the fun that Tinka gets into. In fact, Tinka is one of the busiest dogs I have heard about. Tinka also gets into everything. But Tinka is the kind of dog everyone wants. The illustrations by Tim Bowers are vivid,

colorful and bright. They depict the adventures of Tinka and his humans. This is a book for everyone. Recommended. prisrob 06-06-17

As a retired teacher and school librarian, I love this book. It has good and easy rhyming schemes for the young reader, a challenged reader, and anyone. I have used it many times before. One of my grandchildren is 3 years old and is usually not as interested in books as his older brother, but "Cool Dog, School Dog" was a hit for the 3 year old. Thank You.

Cute book, nice flow of language, kids love it

I love these books so I was hoping to get this one for the first day of school. I was disappointed that the size of the book is smaller than I expected. I did not check the size of the book before I ordered it (the thought never crossed my mind), but I expected that it would be the same size as the other books in this series. It's a little small for doing a read aloud to a group of children.

Great read for kids enjoyed the rhymes, liked that the dog enjoyed reading with the children at school, behaved at school

Picked up this book on sale from for my 2 year old niece. She loves this book (albeit not as much as her Hello Kitty tea party book) and is beginning to attempt to read some words! It does keep her attention for a little and I'd like to say she picks it up once or twice a day to look through it.

I bought this book-- the kindle edition-- for my kindergarden aged grandson. He is learning to read and the short, rhyming sentences are fun for him. It kept his attention all the way to the end. He loved the story and the pictures. His two year old sister sat and listened as we read it. At the end, she said "do school dog again, please!" That's very rare for her .I just wish I'd bought the paper edition rather than have it on my tablet--It looks as though it will be a favorite for a very long time!

5 year old enjoyed it.
