Finally, an "E-book" for Halloween recipes with photos!Pros:Each recipe contains a story. I love it.Recipes are simple with easy to find ingredients.There is at least one photo if not more of each recipe.Directions and ingredient lists are easy to understand and follow.Recipes are simple enough that with assistance, even young children can be part of the process.Cons:Recipes are so simple that they are not that exciting and inspiring.... not Halloween "gross" enough for older kids they rely a lot on the use of gummy worms for the "gross factor"For little kids, I would give it 5 stars.For junior high and up, I would give it 3 starsSo far, however, it is the best Halloween recipe book I have found, so I gave it 5 stars. I like the stories that accompany each recipe.

gave as a gift grandkids love making the recipes

The stories are cute too, as are the illustrations.For young kids this is a best book IÃƒÂ¢Ã ¬Ã ªve found for ÃƒÂ¢Ã ¬Ã ªscaryÃƒÂ¢Ã ¬Ã ª treats that they can help make.
