Practice Makes Perfect Complete Japanese Grammar (Practice Makes Perfect Series)

Synopsis

Strengthen your Japanese grammar skills with practice, practice, practice! From particles to pronouns, this comprehensive workbook covers all those aspects of Japanese grammar that you might find a little intimidating or hard to remember. *Practice Makes Perfect: Complete Japanese Grammar* introduces the fundamentals of the language and then progresses to show how these building blocks connect to create complex sentences. Each chapter features clear explanations, numerous realistic examples, and dozens of engaging exercises in a variety of formats for whatever your learning style. You will, of course, get plenty of practice, practice, practice using your new skills in context. With its winning formula for getting a handle on Japanese grammar right away, *Practice Makes Perfect: Complete Japanese Grammar* is your ultimate resource for mastering the grammar of this complex language. *Practice Makes Perfect: Complete Japanese Grammar* includes:

- Everyday Japanese presented in both Japanese characters (hiragana, katakana, and kanji) and phonetic translation
- A comprehensive introduction to Japanese grammar
- High-frequency vocabulary presented in context
- A clear pronunciation guide
- Hundreds of exercises in a variety of formats

Eriko Sato, PhD, is the executive director of the Japan Center and the founding director of the Pre-College Japanese Language Program at the State University of New York at Stony Brook.

Could be a good grammar reference book, not so much for practice. A few chapters in and there wasn't much practice sections. Unless you are already somewhat familiar with Japanese language, will need to use this in conjunction with another book.

Great purchase

not much explanation in each lesson but there're lot of exercise.

This book helps me a lot to improve my Japanese and do understand Japanese grammar.

Very comprehensive and helpful book for Japanese beginners or Intermediate learners!

Fantastic resource!! Great explanations, good pacing. Nicely functions as both a workbook and a reference source for vocabulary and grammar concepts. I'm using it as someone who studied Japanese for a year and lived in Japan for a few months, but hasn't done much practice in two years... I would not recommend as the SOLO learning tool for a complete newbie to Japanese, but is EXCELLENT for reviewing/refreshing. If you are a newbie, do get this but be sure to also find some other materials to give you more practice with the language in terms of speaking/listening, as well as additional exercises. This book has only a few exercises to review each concept/vocabulary set, so if you are a newbie, you will definitely want to seek out more practice material!

I found this book very useful. It arrived in great condition. Grammar isn't the easiest but this is helping. I work best with tables.

Thanks!
