Christmas gift to 10 year old granddaughter. Next thing I know, she's sending me pictures of her first dinner for the family!! The grin on her face was ear to ear!! Even the picky sister loved the dinner. Now that's a compliment!! Great investment for this Grandma, when I visit, I know I'll be eating good!!!

Very cool book for kids. Got for my niece she's 10 and loves it. Wanted to read through and look at all the illustrations right away.

I was hoping for the red and white check cookbook my sister and I had as kids! We still have fond memories and still make some of the dishes that we "know by heart". I was a little disappointed in this book (especially the paper it's printed on) but hopefully the 10 yr old I bought it for will love it!

Bought as a gift for my granddaughter. She loves it!! #Cool gma!

Great recipes the kids can fix!

Perfect for the beginning young cook.

Excellent

Looks good with great illustrations
