Author and retreat leader Alice Camille holds a Master's degree in Divinity from the Franciscan School of Theology in Berkeley. She was an RCIA catechist for many years, and has extensive experience in parishes, campus ministry, and adult faith formation.

In the past I used Alice Camille's first edition of God's Word is Alive at a bible study group. We really liked it and it is still being used there now. I live in another state now and missed my time spent reading Camille's wonderful insights. I wondered if she had an updated version of her great book and she did. I have been using it for about a month now and am pleased with my purchase. It helps me to have a better understanding of the scriptures I will be hearing at Mass on Sunday. It is a regular Saturday thing to spend some time with this book.

This book is fantastic, I have had previous editions and it is such a gigantic help to Youth Ministers

to help explain the readings!Thank you!!!

Alice Camille always give a fresh and refreshing spin to the Scripture message. This book is full of her wisdom. Don't miss it!

Alice's style and content remind me of someone speaking from the heart and from inspiration. If you want to benefit from reading, read this book. It will help strengthen your faith.

Alie Camille is a wonderful writer and gives you much food for thought

Purchased for small faith group, we were a bit disappointed using it. Useful because each Sunday's readings are presented with a reflection, disappointed that discussion questions seemed "light"
