"Nifty little pocket-sized book that features an insult for every occasion" •TucsonCitizen.com

Nick Mamatas is the author of a few novels, including *Sensation* and *The Damned Highway*, and more than a few insults. A native New Yorker, he now lives in the San Francisco Bay area.

My husband wanted this book. Its very existence offends me, as I think there's too much negativity in our society -- and I would still say that even if it were "Insults Every Woman Should Know."

Entertaining book, especially for those who routinely tease and have snappy comebacks. This book

provides some new ideas. A fun stocking stuffer this year!

makes a pretty good bathroom read. most of the jokes in here are pretty lame though

Very funny

My friend is not the best with comebacks to jokes, and this book was the perfect way to help him along. Filled with funny jokes, some on the borderline terribly cruel side, but otherwise hilarious.

makes a good bathroom read.. not something you'll read all day but it's something fun to glance at time and time again.

Ah not that good. Some of the insults he recommended are stupid and don't work in all situations. But the book gives you an idea.

Kinda funny, but really small. It's a funny read if you're on a train or in the bathroom, I suppose.
