# Opposing Viewpoints In American History, Vol. 2: From Reconstruction To The Present

## Synopsis

This unique two-volume set combines selected pairs of documents from Greenhaven's Opposing Viewpoints: American History Series with other carefully chosen primary source viewpoints to explore the rich history of disputation that has formed and informed American history. The books thus provide a comprehensive reference tool for exploring America's past.

The books thus provide a comprehensive reference tool for exploring America's past.

Good for Socratic seminars in APUSH. Preview the language and determine if these are best suited for the time and structure of your class. I use them along with Taking Sides.

The perfect APUSH supplement as you prepare kids for primary source documents.

Thank you!
