Customer Reviews

Arrived early and in great condition but I would not have ordered it if I could have seen all the pages first. It is fine for a first "coloring book" for an adult to color but the designs are very simple. If you like the more detailed drawing to color you will be disappointed. I will probably re-gift this one!!

Very well presented and makes a wonderful gift for the adult on your Christmas list!

Great Christmas coloring book!!!!!! Got it a week before Christmas and finished it before Christmas!!!

What a wonderful product. I didn't know how beautiful holiday decorations can be when you add some imagination.

This is a Christmas present. I thought it would be fun for a friend. Thanks.

Nice pictures to color. Some of them were repeats from other books that I already have, though. But, despite that, the images are nice.

I am using as a template for need)e]oint

Very nice books I will enjoy working in them.
