What a great way to enhance and enrich any worship service! (Librarian's World 2004-06-03) --1

The purpose of these dramatized hymn stories is to encourage a rediscovery by God's people of the events that underly some of the great hymns of our spiritual heritage.

It is so rewarding to read the stories of how the hymns came to be. We use them in devotions at Sunday School as well as just enjoying them at home.

Perfect. Even has the sheet music. Love it.

I have used many times as a quote after the conclusion of my sermon leading into the song!

Our church loves putting these little hymn vignettes on as plays. They are very informative and cleverly written. Excellent work, a good tool for any church music director or hymn-savvy pastor.
