Good job Hal Leonard and his team I'm very pleased a lot of fun to play

I purchased quite a few of Hal Leonard's play along albums. This one is one of the bests. The tunes are super catchy and it's a lot of fun to play along. One detail I don't like about this and their other albums is that the songs are set in rather random keys rather than in the keys of the original recordings. That makes it more difficult to use them to play along with the original recording.

thx
