Michelin Berlin City Map - Laminated (Michelin Map)

Synopsis

. The Michelin Berlin City Map is part of Michelin's brand-new Laminated City Map series. It is ideal for visitors wanting to see the sights and navigate around the city. Points of interest drawn from Michelin Green Guides are described and highlighted on the map for easy sight-seeing. Planned routes and stops can be marked, then wiped off the laminated surface* while the map's accordion-fold pattern allows for a fast look and even faster refold. Rely on Michelin's clear mapping and street index for an enjoyable visit.

Customer Reviews

Easy to read and durable. I always gravitated towards another brand, but I would consider buying another Michelin map.

I like Streetwise better, but this map will serve.

Wasn't as good as I expected. Much of the outlying parts of Berlin were not included on the map.

Excellent laminated map. Arrived fast.

This is a fantastic product. Highly recommended you buy this as you plan your trip to Berlin. The lamination is good and it's very durable. We used it every day and it's worth the money.

Great start of information for a trip.

I love it!!

A good map to add to your collection.
