American Political Thought: A Norton Anthology

Synopsis

This authoritative and comprehensive new anthology presents key works in American political thought from the colonial period to the twenty-first century. Instructors will find a rich and versatile selection of readings on major themes, from democracy and the liberal-conservative dialogue to women's rights, race, and religion in American politics. This new collection offers exceptional value and ease-of-use in the convenient, single-volume Norton Anthology format.

Customer Reviews

Isaac Kramnick is the Richard J. Schwartz Professor of Government at Cornell University. His many books include *Bolingbroke and His Circle*, *The Rage of Edmund Burke*, *Republicanism and Bourgeois Radicalism*, *Harold Laski: A Life on the Left*, and most recently, with R. Laurence Moore, *The Godless Constitution: A Moral Defense of the Secular State*. Theodore J. Lowi has been John L. Senior Professor of American Institutions at Cornell University since 1972. He was elected President of the American Political Science Association in 1990 and was cited as the political scientist who made the most significant contribution to the field during the decade of the 1970s. Among his numerous books are *The End of Liberalism* and *The Pursuit of Justice*, on which he collaborated with Robert F. Kennedy.

This book provides exactly what it advertises, a sampler of American political thought and history. It

is an excellent source for providing students a cross section of the different issues that arose historically and the perspectives of numerous cross sections American culture on such issues.A.
Student

Bought it for school and it's proved very useful.

great book

great book

Very good book on the development of American Political thought throughout history. Sandel's chapter is very good. The analysis' are pretty good. Its a must for any political science major.

Well-written, clear and insightful. Not "too gray" and dense to put you to sleep, but really presents the material in an interesting way.

This was needed for a collegiate class I was enrolled in and it was in great condition and served me well

not begin to read, but It would a interesting book
