The Titus Diary (First-Century Diaries (Seedsowers))

Synopsis

This compelling narrative continues the events of the book of Acts, first begun in The Silas Diary. Told from the viewpoint of Titus, one of apostle Paul's traveling companions, The Titus Diary is a firsthand account of Paul's second missionary journey. Join this journey as Paul sets out once more - this time with Silas, Timothy and Luke - and learn of the founding of the churches in Philippi, Thessalonica, Corinth and Ephesus. Look on as Paul meets Aquila and Priscilla for the first time and quickly gains an appreciation of their passion for the Lord and His church. On this journey Paul faces persecution for his teaching and contends with the plots of Blastinius Drachrachma, who vows to destroy Paul's work. You'll read about a miraculous prison escape and Paul's gripping spiritual warfare. God's abundant provision and overwhelming peace support the believers throughout.

Customer Reviews

Gene Edwards doesn't disappoint and The Titus Diary is another masterpiece. Seeing the early church through the eyes of Titus is a novel way to explore the New Testament and watch the apostle Paul's activities. Wonderful book. Get it. You won't be disappointed.

physical condition of the book was excellent; although used, it looked new; very pleased with the quality. Titus Diary itself is about Paul's 2nd missionary journey with Silas as they went about

establishing the ecclesia in Phillipi, Thessolonica, Berea, etc. (Greece, I suppose), based on Acts and relevant new testament letters. I love following along this story because it makes what happened in Acts so much more real to me, understanding what they faced and how they dealt with it, presenting a realistic, down-to-earth gospel with simplicity, causing me to marvel in wanting to answer the higher call of His character and nature in my life.

You must read all the diaries to be able to fully appreciate and comprehend the New Testaments...Unbelievable revelations and insights...Start in the order they were written then do all five.

This whole series is very well done, and matures your perception of what it was like to be alongside Paul and his team in the First Century.

I love this entire series. It helped me understand the flow of the Book of Acts much better to read what happened when. I bought 2 more sets of the series to give as gifts.

Great !

Enjoyed the travels of Paul and his companions.

Seller was awesome; would definitely do business with them again. This series completely changed the way I view Paul, and the New Testament.
