I bought several packages of these bookmarks for my grandson's daycare at a church. I think it is the most important prayer in your life to learn and I want to help these kids (around 60 of them, up to 12 years old) learn the Lord's prayer. The bookmarks are well made and quite legible. I so glad they are made.

They are bookmarks that are small enough to include in a card and doesn't add postage. I love adding something special to my cards that I mail..birthday, anniversary, sympathy, or get well. It adds just the right personal touch.

Really nice book markers..I purchased them for a friend daughter who is a teacher..She gave them to her students for Easter..They loved them..

I have bought these a couple of times, because they are a good product, well made and a very good price. They are nice to slip in a card to send out to someone or just give alone.

Simple cardboard, yet attractive bookmark with a prayer I feel is important to keep in my life at all

times. I really only needed a handful for my various devotional books, but I still feel that the quantity for the price is a good deal. I can give the extras away to colleagues. :)

Like this item. Good to give out as gifts.

We've started loading up the car with sandwiches and fruit and riding around downtown to find anyone who looked like they could use a meal and we bought these to put in their bag. Very colorful and gives God's comfort without us preaching to them.

Just as described, perfect for all my books, great to put inside books that are gifts.
