Explore My World Clouds

Synopsis

Curious kids ages 3 to 7 will be excited to learn about clouds—why they're in the sky, different types, and fun activities that celebrate being outside. These engaging Explore My World picture books on subjects kids care about combine simple stories with unforgettable photography. They invite little kids to take their first big steps toward understanding the world around them and are just the thing for parents and kids to curl up with and read aloud.

My little guests enjoy reading these informative books. Easy to read while waiting for piano lessons...

grand daughter is afraid of storms so we thought this would be a good information book for her. she enjoyed it

Nicely done

easy to understand

This is the perfect book to take to the front yard with your children, spread a blanket and read to your children. Then let your imaginations fly with the cloudscape!
