## Customer Reviews

This book was for my autistic granddaughter. She is 16 and can read at about a 2nd grade level and is non verbal. She certainly does know who Taylor Swift is. Our Juliette took the book to bed with her. Hard to find books that interest a teen who can't read at a teen's level. Thank you for asking. Audrey Forbesam4bz@msn.com

My granddaughter loves Taylor Swift so she was very happy.

Exactly what my daughter expected.

Got for my Grand-daughter and she like the story.

Taylor is awesome

My friend's daughter absolutely loved this book! She loved reading about Taylor and her life. Great book for girls and their favorite performers.

Perfect for my daughters age , 7, and she got an A on her report!

Not worth \$10, on the back it says it's a six-pack. Small square flimsy book. Don't buy!
