Customer Reviews

Is there a minus 5 stars?? Some one must have actually copied pages from an old phone book and sold it as a travel guide! There is not one picture, not one map ...just addresses and phone numbers. This book is so not worth your time or money....I will return it!

This is more of a phone boook that a travel book. It only has name, address, phone and some price guidelines. It does not have prose taking about the places.
