Born In Blood And Fire: Latin American Voices

Synopsis

John Chasteen's carefully crafted companion reader to *Born in Blood and Fire* follows the table of contents of the main text and provides glimpses into the everyday life and texture of the Latin American experience during the last six centuries. *Born in Blood and Fire: Latin American Voices* includes colorful and engaging narrative accounts taken from novels, journals, essays, newspaper articles, and other documentary sources, many appearing in English for the first time and many translated by John Chasteen. Selections mirror the chronological and geographical coverage of *Born in Blood and Fire*.

Customer Reviews

John Charles Chasteen is Professor of history at the University of North Carolina at Chapel Hill. He is the highly acclaimed translator of Tulio Halperín Donghi's *The Contemporary History of Latin America*. He is also the author of *Heroes on Horseback: The Life and Times of the Last Gaucho Caudillos*; *National Rhythms*, *African Roots: The Deep History of Latin American Popular Dance*; and *Americanos: Latin America's Struggle for Independence*. John Charles Chasteen is Professor of history at the University of North Carolina at Chapel Hill. He is the highly acclaimed translator of Tulio Halperín Donghi's *The Contemporary History of Latin America*. He is also the author of *Heroes on Horseback: The Life and Times of the Last Gaucho Caudillos*; *National Rhythms*, *African Roots: The Deep History of Latin American Popular Dance*; and *Americanos: Latin America's Struggle for Independence*.

Excellent companion book to *Born in Blood and Fire* by John Chasteen (he could have titled them a

little better to make it more clear! In class we refer to this one as "Born in Blood and Fire Reader.") Lots of excellent primary sources organized to coincide with the historical themes and periods in the other book. Can stand alone as well, but you get a very thorough picture through the two sources. Highly recommend!

Book came in beautiful, new condition. Arrived on time and was a decent price. This book is a great read. If you're interested in Latin American History, but don't want to be bored by a textbook, this is the book for you. Informative, yet, entertaining.

Required material for my college course. But a good book nonetheless. I just wished the book had a hardcover.

The book was in wonderful condition. I was very pleased.

Everything as expected

Textbook. Some of the stories (and they are all just stories mashed together), were incomprehensible. Written centuries ago and some then translated, they can be hard to understand and then make sense out of. Poor choice for textbook selection.

I really learned so much from this author, and my college professor about true life stories, and Spanish culture. Remember, America is not just the US. South America truly holds their culture and traditions close to their hearts..Love this book. I covered it with a book cover to keep in my bookcase.

wonderful for students taking any type of history dealing with Latin America. primary sources are great for teaching and learning about different time periods/peoples/ways of life.
