GENRE: TWEEN FICTION
Book Two of the Madeleine Richards Series, "Problems in Paradise," has the feel of one of my old favorite tween series, Babysitters Club only with Christian overtones. The episodic feel to the story-line was less noticeable in the first book of this series, but that is as it should be. From the first page, the characters are familiar, and it takes less time to warm up to the heroine. However, readers will be happy to find that, while Maddy has adjusted to the changes life has thrown at her, her adventurous spirit has not diminished. The next chapter in her life has her traveling to paradise. Against the lush, tropical setting of the island of Hawaii, and once again accompanied by her best friend, Hannah, Maddy's natural nosiness leads her into an adventure that puts her faith to the test. Her struggle with her understanding of faith is realistic and handled wisely by the author. Young readers love series and will definitely be looking forward to the next book.

I enjoyed this book very much. I would recommend it to anyone, especially young girls. It is free of foul language, and it shows what faith in God will do for you when you are in trouble.

Maddy and her friend Hannah are surprised to accompany Maddy's mother and new step father on their honeymoon trip to Hawaii. In the course of making friends with a girl from New York, trouble finds the two friends once again. Maddy and her mother continue to rely on faith to get through their trials. This story is geared for a younger genre than I am used to reading and I found much of the adult dialog awkward. If you like a middle grade Christian fiction, this story is right up your alley. I am a firm believer in the main principle of this story, namely that prayer are answered, albeit not often as quickly in real life as in this story.

Loved Maddy & her friends

A great....suspenseful read! I highly recommend!

The second book in the series was good, suspenseful but not too scary. It is a great series for teenage girls. Good friendship material and advice given. It's sometimes easy to want to get involved with issues that aren't really our business but I totally agreed with Sara's advice for the girls. Can't wait to finish the series with Trouble in Town to see what kind of trouble Maddy gets into this time. The poor girl Jair can't help herself

I enjoyed this story, I found that the author did a very entertaining job of telling of the adventures of the young tweets in there visit to the island of Hawaii.

How exciting to continue with this series...Maddy and Hannah get to go on Maddy's mom and new step dads honeymoon...to Hawaii! The girls meet a new friend from New York while in 'Paradise' and of course the mystery begins! It was great to see how she called upon The Lord for help. What a great example for the target age reader...Tweens! Being able to watch God work in His time is great for Tweens to be able to learn to relate to our Heavenly Father! Note: my 12 yo daughter read this book and thoroughly enjoyed it! She also thought the flow was much easier to follow in this book than book 1. This book was gifted to me in exchange for my honest review.
